

Managing Apps on Kubernetes with Istio

INTRODUCING ISTIO

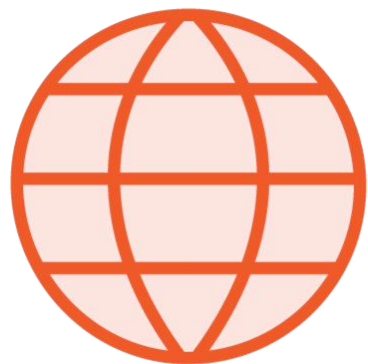

SAIM SAFDAR

DEVOPS ENGINEER & TRAINER

@imsaimsafder14 | [blog medium.com/@saimsafder14](https://blog.medium.com/@saimsafder14) | dev.to/@imsaimsafder14

What is a service mesh?

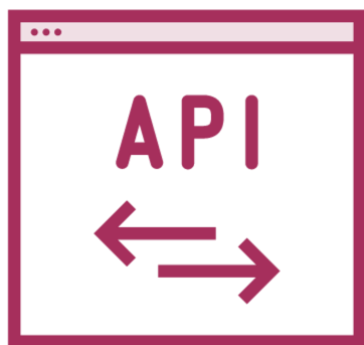

"It's the communication between software components, made into its own thing". Elton Stoneman
